

Bryant W. Oliphant, MD, MBA, MSc

Dr. Oliphant is an orthopaedic traumatologist and health services researcher. He received his medical degree from the Georgetown University School of Medicine and completed his orthopaedic surgical residency at Wayne State University-Detroit Medical Center and Saint Louis University Hospital. He completed a fellowship in orthopaedic traumatology at the R Adams Cowley Shock Trauma Center at the University of Maryland. He then obtained a Healthcare Executive MBA at the Paul Merage School of Business at the University of California – Irvine and a Master of Science in Health and Health Care Research at the University of Michigan. He is an Assistant Professor in the Department of Orthopaedic Surgery at Wayne State University and is staff physician at Detroit Receiving Hospital. He is a Research Assistant Professor in the Department of Orthopaedic Surgery at the University of Michigan where he has a career development award through the National Institute of Arthritis and Musculoskeletal and Skin Diseases titled “Trauma Center Characteristics that Drive Quality, Cost and Efficiency in Lower Extremity Injuries.” Dr. Oliphant is the chair of the orthopaedic surgery specialty group of the American College of Surgeons Committee on Trauma and he is a member of the Orthopaedic Trauma Association Health Policy Committee. He is also a specialty consultant with the Michigan Trauma Quality Improvement Program where he runs the orthopaedic surgery working group. He is interested in improving quality and value in the trauma care delivered at both the state and national level.
